CASE NO. C20-5857

ORDER REQUIRING PLAINTIFF  
TO FILE ALL MOTIONS ON THE  
DOCKET

This matter comes before the Court *sua sponte* and upon Plaintiff's many emails to the Court's Orders Inbox. On November 6, 2020 Plaintiff was advised that "any future filings submitted to [pechmanorders@wawd.uscourts.gov](mailto:pechmanorders@wawd.uscourts.gov) will not be considered received or filed." Plaintiff was further warned that:

[F]uture filings must be either mailed or delivered to the drop box in the lobby of the courthouse unless you are registered for electronic filing. If you wish to file and receive notification via our CM/ECF system, then you must complete the registration process. If you need assistance with completing the registration

1 process, please contact the ECF Team @ ECF Support US District Court,  
2 Western Washington 206-370-8440 (choose option 2) cmecf@wawd.uscourts.gov

3 This notice was posted on the docket and printed and sent to Plaintiff through USPS. Yet  
4 Plaintiff has continued to send what appear to be motions and exhibits to  
5 pechmanorders@wawd.uscourts.gov. The Court will not review these emails and they will not  
6 be considered received or filed.

7 This should be of particular note to Plaintiff as she must show cause why this matter  
8 should not be dismissed by **November 30, 2020**. (Dkt. No. 9.) Any filing in response to the  
9 Court's Order to Show Cause must be mailed or delivered to the drop box in the lobby of the  
10 courthouse or filed electronically through CM/ECF. The Court will not consider Plaintiff's  
11 response if it is not filed through these means.

12 The clerk is ordered to provide copies of this order to Plaintiff and all counsel.

13 Dated November 24, 2020.
